From Catherine Wilson

It's April, so I begin with a quotation from William Shakespeare, arguably one of the greatest of English poets, who was born in April in 1564. As Juliet leans out of her balcony window, full of love for Romeo who comes from a rival family, she muses to herself 'What's in a name?'

Our Christian names are given to us at birth, and we are stuck with them unless we go to the trouble of changing them legally by Deed Poll. They identify us, become part of us, and define us as we go through life, although they probably say more about our parents than about us. Soon there will be a new royal baby: will Prince Harry and Meghan go for a traditional name (Victoria or Arthur are favourites) or choose a modern one?

Essentially though, a name is only the label we use to identify a person or an object, and doesn't change what it is. As Juliet famously goes on to say 'That which we call a rose, By any other name would smell as sweet'!

You may have noticed that in this Benefice we have started to use different names for some of our services. We want to make it easier for people who don't usually come to church to know what to expect. The actual content and format of the services will remain the same, but hopefully the new names will describe more clearly what goes on there.

TS Eliot thought that 'The naming of cats is a difficult matter' – well the naming of services is also quite tricky! These names are an experiment at the moment, so please let the church wardens or clergy know what you (and maybe other people) think – remembering that the reason for the changes is to become more accessible to people outside the usual congregation.

As we celebrate Easter this month, I am sometimes asked what the name 'Easter' means; it originates from the name of a goddess who was worshipped in the Springtime in pre-Christian times. Not a very helpful label for the most important festival in the Christian year! Far better to consider the name of the person who is the focus of our celebrations – Jesus Christ. When Joseph was told that Mary's child was the son of God, the angel gave specific instructions: 'You are to name him Jesus for he will save his people from their sins'.

The name Jesus means 'Saviour' or 'the Lord saves' – an ideal label for the person who loved the world and its people so much that he came to earth to die for us, and then conquered death by rising to life after three days.

What's in a name? Jesus' name says it all! Happy Easter!

A Bedfordshire Police trainer will explain how the scheme works, the role of volunteers and coordinators

Christmas Lunch

On Thursday 20th December, 23 Stagsden villagers in their golden years sat down to a traditional Christmas lunch in the village hall.

This was cooked, served and cleared up by members of the Parish Council and also Nic and Jane.

The feedback this year has again been very positive with everybody saying that they had eaten too much.

The Parish Council hope to be able to offer an invitation to this event again this year.

Watch out for the date!!

Dog Fouling

The usual gripe about dog fouling has not gone away. The path around by the church is particularly bad, also the bottom half of Bedford Rd.

I do not enjoy picking up other people's dogs mess!!!!

Play Area

In early January we had a meeting with BPHA at the play area.

They have agreed to spend some money on upgrading the area and the equipment.

The plans have been shown to the Parish Council and it has been agreed that the Parish Council will contribute some money towards the new equipment.

Hopefully this will be completed before the summer.

Stagsden Defibrillator - Location: Stagsden Village Hall

- The defibrillator is on the wall to the right of the village hall main entrance. Defibrillators are linked to the Emergency Services Network.
- If you believe someone is having a cardiac arrest **phone 999**
- You will be asked a number of questions by the emergency services.
- If the operator believes the patient may need a defibrillator you will be given the code number to open its cabinet.
- The patient should not be left on their own.
- If possible contact somebody else and ask them to fetch the defibrillator
- Give them the code provided by the emergency services.
- The Defibrillator contains instructions on how it should be used.

NEWS FROM THE STAGSDEN ALLOTMENT AND LEISURE ASSOCIATION (SAALA)

At the time of putting pen to paper writing this article it is a glorious Spring day, birds singing and nesting, bees and butterflies flying around the flower garden.

The members are busy preparing their ground with a smile on their faces.

Over last few weeks I have spotted an abundance of wildlife in and around the allotments, hares, pheasants red kites and a barn owl. Not mentioning the small bird population which there are many.

Over the next few weeks we will be planting, sowing sunflowers for the future painting competition which takes place late Summer. This is open to any budding artists please look out for the date in the next write up.

We still have a number of plots available from a small quarter plot @ £20 per year to a full plot @£52 per year.

If you would like to discuss or walk around the available plots please contact myself Shane Hodson on

STAGSDEN SPRING CLEAN

Thirteen volunteers turned up for the Spring litter pick on the 23rd March – almost a record number and including some newcomers to our group. We cleared up all the litter along the village roads from the top of Spring Lane in the south to half way up Turvey Lane to the north and between the two bypass junctions east and west.

Between us we filled 33 bin bags with mostly fast food packaging and tins and bottles. An impressive count and well above the average. A big Thank You to everyone who helped.

We were featured on BBC Three Counties Radio's Treasure Quest on which we were the first location. Listeners has to find the answer to the clue "It hosts a club that is 128 years old but only 19 here" – a reference to Bedfordshire Golf Club. Their radio car turned up to interview us and they took a group photo for their news pages.

We have booked our next litter pick for the 28th September. Please turn up at 10.00 on the Millennium Green at the Bedford Road/Spring Lane junction. It only takes a couple of hours and is worth it to see the village clear of litter.
